A Heartfelt Thank You to Our Volunteers

Hildenborough Parish Council would like to extend its sincere thanks to the Girl Guides and Scouts for their outstanding contribution to the community. Their dedication in planting up the memorial and

arranging the handcrafted poppies has created a truly beautiful and moving display. The impact of their work has reached beyond our village—another Parish Council even contacted us to ask where the poppies were from, a testament to the quality and care that went into every detail.

A special acknowledgement to the Scouts for their creativity and craftsmanship in producing the poppies by hand. We are incredibly grateful.

Seasonal Colour Brightens

Hildenborough

Winter plants and spring bulbs have now been added to the Village Green planters and the War Memorial, bringing a much-needed burst of colour to our community spaces.

Thank you to our maintenance team for their continued dedication and hard

work. Your efforts make Hildenborough a more vibrant and welcoming place for all.

A Golden Glimpse at the Village Green

Did you catch the Village Green turning a soft shade of yellow recently? It was a fleeting but striking sight—just before the rain returned!

This golden hue was the result of the recent sanding and drainage work carried out on the Village Green. These improvements are designed to enhance water absorption and reduce surface water during the wetter months.
